ROSARY IN CLUBROOMS ... 8.30p.m. ... 1st August 1962

T E N N I S

Although the weather has not been ideal, the courts have been well used all season.

On Saturday, June 30th, our second Tournament of the season was held. It was not quite so well attended as the first one, but those who turned up had an enjoyable afternoon's tennis. This was followed, as usual, by the social, which once again did not attract as many as previously, but was nevertheless an enjoyable occasion - as always. Thanks are due to the willing band of helpers, in the kitchen, doing sandwiches, running the tournament, and M.C'ing the social. Thanks to all concerned! Keep it up! The winners of the tournament were ...

Ladies ... Monica Connor; Runner-up ... Barbara Kershaw.
Gents ... Peter Lightfoot; " " ... Mike Marsden.

The next tournament and social are scheduled for SATURDAY, 28th JULY, and no doubt Monica will be collecting names for this date at the Club.

A Meeting of all members interested in playing for the Ramblers in the coming season will be held on Wednesday, 16th August 1962, at 8pm in the clubroom.

If you have not kicked a ball in anger since you were expelled from school, or dismissed with ignominy from Her Majesty's Forces, this is your opportunity to cash back into big-time football!! Most of last season's team have signed on again at exorbitant terms, but let this not deter you. Team places are granted purely on merit.

Fix the date firmly in your mind.

CHIPPING: 8th July 1962.

The weather could not have been more perfect. That mysterious object the sun was out. The sky was a beautiful blue, and to add to the brightness were twenty-five gaily clad rambles. After a journey of one and a half hours the coach finally came to a standstill.

Everyone piled out and into the cafe to build up energy for the afternoon walk. Win had some smashing doorstep sandwiches. In fact, someone suggested she used a shovel!

Some had lunch inside the cafe - whilst the rest of us had ours on the terrace. Hm - only to prove we were the true sun-worshippers. For a dessert the majority bought home-made ice-cream. Mmmmm. It was delicious - just like Mother used to bake (I mean make!..)

Taking the left road out of Chipping, we set out to conquer Partick (1416ft). After about half an hour the boys decided to peel off their sweaters, because it just got hotter and hotter.

Our two nature boys were out. Bill with his book on flowers, and Ron with his book on birds. Bill had quite a collection of wild flowers, but poor Ron couldn't catch any birds. He had to be content seeing them in the distance.

After a hilly climb-up Fairsnape (1707ft) each of us regained our energy with a little rest, and some solid and liquid refreshment. Later we found ourselves descending Fair Oak Fell and plodding on towards Dinkling Green farm.

Everything was going so well until Imelda and yours truly decided to be different from the rest, and go knee deep in mud. I don't think we were using the right kind of soap, because someone went so far as to suggest Lifebuoy!

Hughie graced us with his presence before setting off for yet another trip to the Mediterranean.

Heading back we passed through the woods to Birchen Lee. Then on through Leagram farm and finally into Chipping - where we devoured what food was left in our rucksacks. Terry and Win went into a trance practically as they listened to Cliff and Elvis records - which was more than I could say for poor old Bill.

Many thanks • Terry for a thoroughly enjoyable and interesting walk.

To. Will have gathered from the reports that our Club members have been wandering in parties over the Whit weekend. Some went up to Ambleside and camped under conditions which were extremely good - others went to Bettwys-y-Coed, under equally good conditions. Three went youth-hostelling in the Borrowdale area, and even some of our members went up to play tennis. I'm told, on almost reliable sources, that about 21 members spent all or part of Whit at Bettwys-y-Coed ... it's no wonder we only had 5 out with the R.A. on Whit Monday.

Pauline has been doing some quite valuable work at the Tennis Pavilion - mainly cleaning the pavilion. She took home the Club "Flag" and washed it. She is not given to exaggeration - merely reports facts as they are, and when she returned it a few nights later, she merely comment "it had been very dirty". Let me add for her information now that the flag was made some 25 years ago - has been used for all sorts of purposes, including that of hiding the rakes and shovels, and what-have-you in the pavilion, and in the whole of that quarter century it has never seen a wash-tub. We quite believe that it was "very dirty". Thank you, Pauline!

The socials have shown their usual moments of high exhilaration, matched only by their moments of not so high exhilaration. However, a balancing point was introduced between these two ecstatic states - to wit, a Bingo session. We think the Social Sub. had courage in introducing it, and hope the members will be just as courageous in saying they welcomed this unusual innovation into our otherwise "hectic" Wednesday soires!

As an afterthought we have been promised shelving for the Committee Room in an effort to tidy up what is a very disordered arrangement.

If there are any members who have not yet succeeded in paying over their dance money to Chris, please don't hesitate to do so at the earliest opportunity, as he is most anxious to close his books before he goes on holiday.
