

Liverpool Catholic Ramblers'

NEWS SHEET - January 2012

RAMBLINGS

Dave Newns is unavailable to create the high quality newsletters we have been used to, due to personnel reasons. He has been producing the newsletter for a considerable time and has indicated a willingness to allow someone else to take over the reins, question is, is there anybody out there willing to take over from the master. If you want to have a go, let me know.

Christmas Buffet Dance.

A very disappointing turnout of less than 30 members produced a loss to the club of £182.00, the first time I've known of a loss. Are members turned off by this sort of function? Any comments as to whether or not we should continue would be appreciated.

85th Anniversary of the Association.

Having said that about the Xmas Dance, this year it may be replaced by an anniversary dance. The 80th held at the Christ the King club was very successful and we will be looking at whether to repeat this.

On the Piste.

There have been no coaches for a couple of weeks as about 20 members have been to Poland Skiing.

BEN NEVIS

It has been suggested that we could send a group to Scotland to take on the 'Ben'.

We can look at the logistics of travel and accommodation but would like to know how much interest there is first.

Again if you're interested let us know and we'll start of list of names in the book.

We're looking at going in May.

BRING & BUY at the CHEESE & WINE (9:00 PM)

Bring those unwanted Xmas presents to the Ship & Mitre, and bring yourselves to buy some bargains.

Booking Coaches

For the benefit of new members and as a reminder to existing members,

Don't book walks until you know you can go. If bookings are low we can cancel a coach so not taking a big loss. If a lot of members book then cancel we have no chance of cancelling and lose money.

More importantly, booking a walk is a commitment to pay. You have until the Thursday before a walk to cancel, or you must pay (no exceptions). If you don't turn up expect to be badgered for the money.
