Version 10 Issue no. 10 March 2020

From the LCRA committee

To all LCRA members and friends. Due to the current Coronavirus(COVID-19) UK advice, guidance and current restrictions in place, the club has had to make the decision to postpone all LCRA planned walks for the foreseeable future-with immediate effect.

As a club that focuses on friendship, health and wellbeing, it was a difficult decision however it is the right decision at this time. As a club, as friends, we have a duty of care to all members and to each other and must therefore protect and minimise the risks to each other's health at this time.

**We urge you to continue to follow government advice
www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response**

As advice, as you know, is continuously changing. Please look after yourself and others who may be vulnerable or in isolation at this time.

As a club, we will continue to remain in touch and please contact us via FB with any questions, or just to keep in touch.

We will continue to post during this time, and let us all keep in touch!

Social isolation is not conducive to our mental health, which is why we all have to keep in touch. Stay safe and well and will see you all very soon.

The LCRA is open to Non-Catholic Members and conducts walks on numerous Sundays throughout the year. They vary in length and physical demands and are in 3 grades: - **A**, **B** and **C**.

All walks are led by experienced ramblers.

A walks can be 10 to 15 miles and are for the more experienced ramblers.

B are shorter.

C are shorter still and can be 7 to 8 miles.

Consideration is given in advance to the difficulty of the course, the terrain, whether stiles, steep hills, or busy roads are to be crossed, and the numbers who may be expected to take part.

Cancellations must be made prior to the ramble otherwise members will be liable to pay the full charge for an empty coach seat
