+ + Our 32nd A.G.M.turned out to be a very lively+  
session. Scantily attended at first, as usual, the hall fairly +  
soon filled to the tune (and occasional discord) of some 70 members.

The preliminaries over, the elections soon got  
under way. In the new Committee Harry O'Neill replaces Bernard  
Edwards as Vice-Chairman and Jean Bray in takes over the job of  
Assistant Secretary from Eileen Molloy, whilst Ann McCann,  
George Skillicorn, Eddie Dulsion and Jerry Cullen replace the  
retiring Committee members.

To those retiring members we record our gratitude  
for the work and service rendered to the Club.

We extend a welcome to the Committee and wish  
them success. The willingness to serve shown by so many, and I  
include the unsuccessful nominees, was encouraging and might well  
indicate a fillup to the administration of the club.

Even more heartening was the discussion which  
followed. Not for a long time have the members in General Meeting  
declared so emphatically that this is, in fact, a rambling club.  
The ball was set rolling by a reference to the rambling levy,  
which brought forth some criticism and, finally, an overwhelming  
vote to prove that the levy will be most unpopular.

The discussion too seemed to revolve around  
the plain and simple fact that if rambling is to be popular it must  
be a pleasure, and that that does not necessarily entail fine  
weather and high places: mainly, good paths and good company.

Perhaps those who saw only gloom now see a  
gleam, and can trust the Club to continue to follow the signpost  
set up for it so many years ago -

We are pleased to hear that Rene Feeney who is in hospital recovering from an operation will soon be allowed home, and we hope it won't be too long before she is back in circulation once again.

The Tennis social last Saturday was a cozy affair, with plenty of people, food and musical entertainment. Not only did we have a record player, we also had a tape-recorder, but I'm sorry to say that everyone was a little subdued after Delia's nasty accident. It hardly seemed fair that after helping to prepare the food she should be whipped away to Broadgreen. That was a very nasty gash, Delia, but not everyone can boast 20 stitches in their leg. We all hope you'll be fit again very soon.

Now that the 'tennis session' is officially over, I've no doubt that the rambles will once again come into favour. Littering-up classes will be held at 8.0 before socials from now on!! Spectators welcome too - ANYTHING to help get socials started earlier.....

SOUTHPORT SWIMMING RAMBLE

14/9/58

What a perfect day for a swimming ramble. We all seven of us came in penny numbers. Some by train, whilst the more energetic types arrived on their cycles! After finding seating accomodation two of the girls stayed behind whilst the rest of us went and changed into our skimpy swimsuits.

The water was icy cold, but once in everyone soon forgot about the icy feeling and thoroughly enjoyed themselves. Two of the weaker sex were dared to go down the water chute and did so after a great deal of persuading.

After dinner the same two females bravely climbed ~~the ladder~~ once more, but when they reached the top their courage failed them, and they were about to retreat when Bernie and Hughie forced them to once again plunge into the water.

Everyone feeling peckish once more greedily ate up the remaining scraps of food. Whilst waiting for the above to digest, we sat and watched all sorts of perculiar shapes and sizes wandering past, some in the most hideous swimsuits.

Time passed too quickly and before we knew it it was time to leave the baths, so we gathered our belongings and toddled off towards home.

Many thanks Bernie for a lovely soaking.

"TWO SUN LOVERS".

EXTRACT FROM "RAMBLERS NEWS" (the R.A. Magazine) AUTUMN 1958 EDITION:

"CHALET. Readers of the Ramblers News may recollect that in the last issue the Chalet committee announced that they were going to organise a celebration of the 10th anniversary of the opening of the Chalet. On 13th July, in spite of very bad weather, a good crowd rolled up for this event. After speeches of congratulations to all who planned and worked for its success, a liberal tea was served. Miss Susan Pugh who ten years ago cut the ribbon across the front door to open the new venture, was present to cut the special birthday cake. Miss Henshall and her brother Mr. Alfred Henshall, sister and brother of our late Secretary were present as guests of the Chairman. A picture of the Lake District, a favourite viewpoint of Wilfred Henshall with an inscription to his memory was hung in the common room".

PERSONAL Our belated congratulations to John Leddie and Winnie Parker on their engagement. John is one of our "Star" tennis players. Also our best wishes for the future happiness of Kath Keenan and Johnnie Peloe who were married last Saturday and are at present on honeymoon in Ireland. "Well done our Kid" - Congratulations on your 21st, Monica Martin.

NOTICE In last months' Newsletter there appeared in "RAMBLERS NOTES" a misleading statement about a coach trip organised simultaneously with swimming ramble to Freshfield. Official approval was obtained for the coach trip but unfortunately through a complete misunderstanding, the Committee failed to notify Arthur Brockway, the leader of this swimming ramble, of the arrangement. We hope this explanation will be accepted by all concerned.
