# EDITOR'S BRIEFS

*Hello fellow ramblers,*

*It is hard to take in the fact that our last regular newsletter appeared as long ago as Spring this year, however, we hope to be back to normal in the next few weeks with our regular editions as the club is now in the process of purchasing a computer. Apologies for delaying the Seniors' Section reports etc until the next edition.*

*During the long hot summer months this year we have had some superb rambles, but attendances have been somewhat erratic - some poor, but still getting the full coach at other times. Now, with the weather settling down, and many new members joining recently, we are hoping for a good season of well-attended and enjoyable rambles ahead.*

*As most of you know, our coach driver, Ken stopped driving for us a few months ago, due to illness, but he is making a good recovery and has sent the club a card thanking us for our kindness to him. The card has been in circulation around the club. Meanwhile your new driver's name is Harry.*

*The forthcoming newsletters will, hopefully, have plenty of contributions from YOU the ordinary members of the club. Simply give them to Ray or myself for publication or send them to me at 7 Abbotts Way, Billinge, Wigan, Lancs, WN5 7SB.*

*Dave News, Editor*

## PROGRAMME MEETING

If you have any ideas or suggestions for future rambles, or might consider leading one or two, you are welcome to the forthcoming meeting at Birch House, or if you can't attend make out a list and give it to any committee member.
